

RUSTENBURG GIRLS' HIGH SCHOOL

POLICY FOR AWARDING OF COLOURS

Revised November 2017

PURPOSE

Rustenburg Girls' High School believes that visible recognition should be given to learners for the purpose of motivating them. They will be rewarded for excellence, participation and commitment in activities offered at the school.

GENERAL

1. Only after lengthy and careful deliberation by the Colours Committee, are Colours awarded to learners. The decision of the Colours Committee is final and binding.

The Colours Committee comprises the following members:

- Principal and Deputy Principals
- Director of Music
- Director of Sport
- Teacher-in-Charge of Drama
- Teacher-in-Charge of Debating

2. The Committee sits when necessary and the person in charge of the activity presents a fully completed form detailing the involvement of the learner concerned.

(Copies of application forms are available from the person in charge of the activity.)

THE COMMITTEE RESERVES THE RIGHT TO BESTOW AN AWARD
in exceptional circumstances, when not all of the fundamental criteria have been met.

3. Acceptable attendance means 80% attendance at practices and 100% attendance at matches/events/performances for which the candidate is chosen. It is the responsibility of the learner to ensure that her non-attendance is validated and that a doctor's certificate is provided where necessary.
4. National representation means a South African national team resulting from an unrestricted, inclusive selection process.
5. Learners, parents and staff must understand clearly that the awarding of Colours is not merely recognition of an activity well performed, but also recognition overall of excellent behaviour and appearance, loyalty and achievement.

THE COMMITTEE RESERVES THE RIGHT TO REVOKE AN AWARD
if necessary, after due process has been followed.

7. TERMINATION OR ADDITION OF ACTIVITIES

The Governing Body, in consultation with the staff, determines the school's extra-mural curriculum. The availability of coaching staff, or other reasons, may necessitate the termination or addition of extra-mural activities.

Where an activity is terminated, and will therefore not continue, the Colours Policy will be amended for future reference, to record the last year in which the relevant award will be made.

Where an activity is added, the Colours Committee, in consultation with the coaching staff or other relevant educator/s, will compile criteria for the awarding of Colours.

8. AWARDING OF COLOURS

All Colours awards will be announced and/or presented in the presence of the learner's peers. Half and Full Colour awards will also be acknowledged and certificates presented at the relevant annual awards ceremony.

All sport awards are to be made as soon after the completion of the season as possible.

THE INDIVIDUAL LEARNER IS RESPONSIBLE FOR APPLYING FOR THE APPROPRIATE AWARD

Educators and those in charge of activities should identify and encourage learners who meet the criteria to submit an application form. Any incorrect information on the motivation form may render the application invalid.

Note: This requirement does not apply to Academic Colours (where learners who qualify will be identified by the school) or to Society and Service certificates (where teachers will nominate learners).
